

Mydent International

**Works Better.
Lasts Longer.
Costs Less.**

"Mydent's proficiency in the private-labeling process played a key role in the establishment of our own brand identity.

Our customers are thrilled with the consistency and quality of these products, and the feedback we've received has been very positive. Overall, we've bolstered our presence in the dental industry at a significant cost savings."

MAJOR DENTAL PRODUCTS
DISTRIBUTOR IN EUROPE

"Working Together To Grow Your Business"

 ydent International, manufacturer of the well-established DEFEND product line, is also your **premier source** for **private-label** infection control products, disposables, and impression material systems. Providing over 28 years of reliable service to the dental industry, we currently private label over 40% of the dental consumables used in the industry. With our years of expertise, we can effectively guide you through the private-labeling process to significantly improve your bottom line.
